### What is StoreMe?

StoreMe's app enables short-term luggage storage in businesses from coffee shops to hotels.

- Customers love the service because it's on-demand, convenient and affordable!
- Found us when staying in a short-term rental
- Business travelers use it on when checking out of hotels in one area of the city

### Our mission is to enhance your US travel experience

### Schlepping your luggage is a pain!

People on-the go- in cities across the US are burdened with their things!

### Post-pandemic traveling is coming back!

Tourists and business travelers are itching to travel again!

### Our mobile app experience is seamless

Our app connects people looking to store short-term with businesses for a fee

### How much is storage?

	Small (backpack)	Large (checked luggage)
1st hour	\$2.00	\$3.00
Additional hours	\$1.00	\$2.00
Day (24 hours)	\$7.00	\$14.00

Reservations for 10+ hours are free! (availability in the app refers to 24 hours)  
Reservations must be at least \$2.00.  
We pay for the storage!

### Our customers love the service!

★★★★★

"Genius! Exactly the service I've been looking for. Lots of locations, conveniently placed. The whole thing was convenient, affordable, and pleasant. Will definitely use again." - Tyler Eick

"Used it in Philadelphia and was completely satisfied. Easy, simple and trustworthy." - Ryan Oliver

"I used this app while exploring Washington DC when I didn't want to carry my luggage around with me, but didn't have a hotel. I was quick and simple to use and it took a lot of stress out of my travel!" - David Olson

### Sometimes we get a little press!

### A look at our numbers

- 225 locations, 50 US cities & some major hotel partnerships
- 100K+ Registered Users
- Monthly transactions: 25K+
